Agro-tourist project of 5 houses with types 2 x T2 and 3 x T1 + (main house) located on a plot of 4560m².

Agro-tourist project of 5 houses with types 2 x T2 and 3 x T1 + (main house) located on a plot of 4560m². The project design follows the topology of the land, developing the construction along the slope, improving its involvement in the landscape.

Typical small farm, very well located, on the site of Quinta da Baticova, close to Caldas de Monchique, just 2 km from the center of Monchique and 20 minutes from the sea.

House built in stone before 1951, the Quintinha has 2 water mines, 2 tanks, close to the river, the land has several fruit trees, excellent quality soil for any cultivation.
